

LEADERS ASSEMBLY 2018: THE PURSUIT OF EXCELLENCE
March 18-20, 2018 in Baltimore, MD

Praying that Camp Tefillot Succeed This Summer!
Monday, March 19 from 10:50AM-12:20PM

SESSION PRESENTER(S):

Cheryl Magen, Wm. Davidson School; Shalom Orzach, iCenter

SESSION DESCRIPTION:

In this session we will look at setting reasonable prayer goals, training staff and deciding what success will look like. This workshop will leave you with many of your questions answered and provide a framework for your prayer experience(s). Camp teams are encouraged to come together to the session to ensure alignment with the mission and vision of the camp.

BIG IDEAS FROM THIS SESSION:

It's important to plan now for what your prayer experiences will look like and not wait until you are at camp or have no time to plan.

Cultural change is difficult and you need patience and presence to enact specific goals, implement with different age groups, and how content will be presented.

You cannot teach all the prayers to every group every summer.

You must begin training your staff to achieve these goals.
