Tzedek Tzedek Tirdof by Isaac Zones

Opening lyrics from Maya Angelou's poem, "Still I Rise"

Just like moons and like suns,
With the certainty of tides,
Just like hopes springing high,
Still I'll rise.

Leaving behind nights of terror and fear
Still I rise
Into a daybreak that's wondrously clear
Still I rise
Still I rise
 Still I rise.

Tzedek Tzedek Tirdof
May the work that I do
Bring me closer to you
Adonai Adonai

May the songs that I sing
May the love that I bring
Come to you, Adonai

Marching in the Street
Praying with my feet
Walk with me, Adonai

Working the land
Praying with my hands
Bless this food, Adonai

May the work that I do
Bring me closer to you
Adonai Adonai

Lead With Love by Melanie DeMore

You gotta put one foot in front of the other
And lead with love
Put one foot in front of the other
And lead with love. (repeat all 4 lines)

Verses (call and response)

Don't give up hope
You're not alone
Don't you give up
Keep movin' on

Chorus

Lift up your eyes
Don't you despair
Look up ahead
The path is there

I know you're scared
And I'm scared too
But here I am
Right next to you
