

5-Year Anti-Semitism Journey Map

Please take five minutes on your own to look back at your own understanding of and relationship to thinking about Anti-Semitism over the last five years.

Feel free to use the following questions as guidelines as you take notes below:

- *How has your understanding of Anti-Semitism changed?*
- *What major events in the world have influenced or shaped your thinking?*
- *What questions have you been asking and how have those questions changed?*
- *What have you noticed about how conversations about Anti-Semitism have changed during this time?*
- *What questions about Anti-Semitism are most present for you right now?*
