REFLECTING ON BROKENNESS

Kintsugi

Kintsugi is a Japanese philosophy teaching that breakages and repairs should be treated as an essential part of an object's history. It's something to be celebrated rather than disguised. The art of Kintsugi developed by repairing broken pottery with gold or lacquer.

Ring the bells - ring the bells that still can ring

Forget your perfect offering

There is a crack in everything - there is a crack in everything

That's how the light gets in
