"The Maharal of Prague [Rabbi Yehudah Loeb, d.1609] created a golem, and this was a great wonder. But how much more wonderful is it to transform a corporeal human being into a mensch!"

— Rabbi Israel Salanter,
Founder of the Modern Mussar Movement

* These 7 *Middot*, or character traits, are keys to success, according to Paul Tough in his book, *How Children Succeed*.

Jewish ethics are based on the idea that we are created in the Divine image. The Kabbalah imagined that *HaShem* is revealed in a number of attributes, or *sfirot*, which correspond to our highest aspirations for human character.

∞ The highest *sfirah*, attribute, not understood in a human context.
