SESSION TIMELINE & OUTLINE:

Prep –

Ahead of the session, set-up one or two screening rooms with A/V and seating for participants. For online videos, download content ahead of time onto a USB or external hard drive. Also, prepare a table with selection of fun cereal milk and non-dairy milk, spoons, and bowls.

10 minutes – Welcome! Make your Cereal Bowl and get comfortable where you can see the screen.

30 minutes – Screening time: play each video.

Between each video have a short discussion of the values the video explores, and how we can relate it to camper's education at camp.
