

FJC Learning Framework for Reflection and Sharing

PROJECT NAME:
PROJECT TEAM:
DATE:

PROGRAM DESCRIPTION

Describe what the goals of the program were and what work was involved in its execution. Staff know that it exists, but not necessarily what work was involved.

REFLECTION OF SUCCESSES AND LEARNINGS:

What felt successful? (prompts: for FJC, the field, partners, myself)?

REFLECTION OF SUCCESSES AND LEARNINGS

What is one important thing that I (we/the team) learned? (prompts: about FJC, the field, partners, myself)

REFLECTION OF SUCCESSES AND LEARNINGS

What did the data/evaluation reveal that was important or surprising?

REFLECTION OF CHALLENGES AND OPPORTUNITIES

What was challenging? (prompts: for FJC, the field, partners, myself)

REFLECTION OF CHALLENGES AND OPPORTUNITIES

What values, if any, were in tension in the course of the project?

REFLECTION OF CHALLENGES AND OPPORTUNITIES

If I (we/the team) were to do it again, what would I (we/the team) do differently and how would I/we/the team improve?

POTENTIAL ACTION STEPS

What is one action step I (we/the team) would want to take or I (we/the team) would want FJC to take based on what I (we) have learned?

POTENTIAL ACTION STEPS

How could what you learned be applied to other projects and teams?

POTENTIAL ACTION STEPS

How did this project help us advance our strategic plan?
