

Willow, Taylor Swift

I'm like the water when your ship rolled in that night	But I come back stronger than a 90's trend
Rough on the surface but you cut through like a knife	Wait for the signal and I'll meet you after dark
And if it was an open-shut case	Show me the places where the others gave you scars
I never would've known from that look on your face	Now this is an open-shut case
Lost in your current like a priceless wine	Guess I should've known from the look on your face
The more that you say	Every bait and switch was a work of art
The less I know	The more that you say
Wherever you stray	The less I know
I follow	Wherever you stray
I'm begging for you to take my hand	I follow
Wreck my plans	I'm begging for you to take my hand
That's my man	Wreck my plans
Life was a willow and it bent right to your wind (oh)	That's my man
Head on the pillow, I could feel you sneaking in	You know that my train could take you home
As if you were a mythical thing	Anywhere else is hollow
Like you were a trophy or a champion ring	I'm begging for you to take my hand
And there was one prize I'd cheat to win	Wreck my plans
The more that you say	That's my man
The less I know	The more that you say
Wherever you stray	The less I know
I follow	Wherever you stray
I'm begging for you to take my hand	I follow
Wreck my plans	Begging for you to take my hand
That's my man	Wreck my plans
You know that my train could take you home	That's my man
	You know that my train could take you home

Anywhere else is hollow

I'm begging for you to take my hand

Wreck my plans

That's my man

Life was a willow and it bent right to your wind
(oh)

They count me out time and time again

Life was a willow and it bent right to your wind
(oh)

Anywhere else is hollow

Begging for you to take my hand

Wreck my plans

That's my man

Hey, that's my man

That's my man

Yeah, that's my man

Every bait and switch was a work of art

That's my man

Hey, that's my man

I'm begging for you to take my hand

Wreck my plans

That's my man

Brown Eyed Girl, Van Morrison

Hey, where did we go? Days when the rains came Down in the hollow Playin' a new game Laughin' and a-runnin', hey, hey Skippin' and a-jumpin' In the misty morning fog with Our, our hearts a-thumping and you My brown-eyed girl And you, my brown-eyed girl And whatever happened To Tuesday and so slow? Going down the old mine with a Transistor radio Standing in the sunlight laughing Hiding 'hind a rainbow's wall Slipping and sliding All along the waterfall with you My brown-eyed girl You, my brown-eyed girl Do you remember when we used to sing? Sha-la-la, la-la, la-la, la-la, la-la tee-da	Just like that Sha-la-la, la-la, la-la, la-la, la-la tee-da, la-tee-da So hard to find my way Now that I'm all on my own I saw you just the other day My, how you have grown Cast my memory back there, Lord Sometimes I'm overcome thinking 'bout it Making love in the green grass Behind the stadium with you My brown-eyed girl You, my brown-eyed girl Do you remember when we used to sing? Sha-la-la, la-la, la-la, la-la, la-la tee-da Sha-la-la, la-la, la-la, la-la, la-la tee-da

Sorry, Justin Bieber

You gotta go and get angry at all of my honesty	Yeah I know that I let you down
You know I try but I don't do too well with apologies	Is it too late to say I'm sorry now?
I hope I don't run out of time, could someone call a referee?	I'll take every single piece of the blame if you want me to
Cause I just need one more shot at forgiveness	But you know that there is no innocent one in this game for two
I know you know that I made those mistakes maybe once or twice	I'll go, I'll go and then you go, you go out and spill the truth
By once or twice I mean maybe a couple a hundred times	Can we both say the words and forget this?
So let me, oh let me redeem, oh redeem, oh myself tonight	Is it too late now to say sorry?
Cause I just need one more shot at second chances	Cause I'm missing more than just your body
Yeah, is it too late now to say sorry?	Is it too late now to say sorry?
Cause I'm missing more than just your body	Yeah I know that I let you down
Is it too late now to say sorry?	Is it too late to say I'm sorry now?
Yeah I know that I let you down	I'm not just trying to get you back on me
Is it too late to say I'm sorry now?	Cause I'm missing more than just your body
I'm sorry, yeah	Is it too late now to say sorry?
Sorry, yeah	Yeah I know that I let you down
Sorry	Is it too late to say I'm sorry now?
	I'm sorry, yeah
	Sorry, oh
	Sorry
	Yeah I know that I let you down
	Is it too late to say I'm sorry now?
	I'm sorry, yeah
	Sorry, oh
	Sorry
	Yeah I know that I let you down
	Is it too late to say I'm sorry now?
