(1) \_\_\_\_\_ was a (2) \_\_\_\_\_ person his entire life. Born in (3) \_\_\_\_\_, in the middle of (4) \_\_\_\_\_, he knew the meaning of (5) \_\_\_\_\_. Despite challenges, he developed into a (6) \_\_\_\_\_ human being, a (7) \_\_\_\_\_ friend and a (8) \_\_\_\_\_ son to his (9) \_\_\_\_\_ parents.

(1) \_\_\_\_\_ was a good (10) \_\_\_\_\_, but his greatest affection was reserved for his (11) \_\_\_\_\_, in whose presence he was always (12) \_\_\_\_\_. He enjoyed (13) \_\_\_\_\_ with them, whenever he had time.

(1) \_\_\_\_\_'s love for his (11) \_\_\_\_\_ is reminiscent of the love displayed by (14) \_\_\_\_\_ for his (15) \_\_\_\_\_. The (16) \_\_\_\_\_ tells us that (14) \_\_\_\_\_ displayed the greatest love for a (15) \_\_\_\_\_ that anyone has ever known - and (1) \_\_\_\_\_ built his life around that model.

Even as we mourn (1) \_\_\_\_\_'s passing, let us also be grateful for the years we had with him, and for his love for his (11) \_\_\_\_\_. May it be a model for us and for our children, and may his memory be a blessing for us all.
