

OHC MULTI-YEAR GRANTS

TEMPLATE DOCUMENTATION

To edit these files without InDesign, you may be able to use Adobe Acrobat Pro as an alternative. After opening the file using Adobe Acrobat Pro, follow these steps to edit the text:

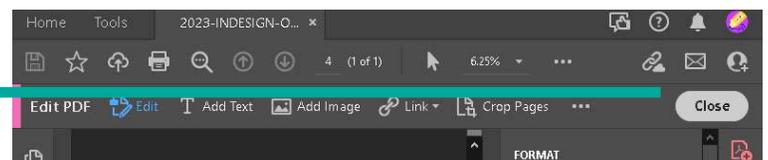

- 1 - On the panel on the right, click the button labeled “Edit PDF”.

- 2 - Proceed to edit the desired text using the text tools.

- 3 - Once complete, click “Close”

- 4 - Then select “File >> Save As..” to save your updated version as a new PDF
