Partnership Opportunities

Foundation for Jewish Camp

Foundation for Jewish Camp (FJC) is dedicated to expanding the reach of Jewish camps and deepening their impact. We leverage \$15M+ of philanthropic giving annually to scale programs and resources that benefit 300+ Jewish day and overnight camps across North America.

We promote excellence in their management, programs, and enrollment by providing thought leadership, professional development, research/data, funding, and inspiring innovation at Jewish camps and summer experiences from all streams of Jewish belief and practice.

With decades of experience, we are the central advocate and resource for Jewish camp to thrive – and when times are tough – survive. With your partnership, we help Jewish camps access untapped funds and resources that would otherwise go unrealized. For more information, visit www.jewishcamp.org.
