THIS WAY TO AN UNFORGETTABLE SUMMER

At Jewish overnight camp, kids discover who they are—and who they want to become—while having the time of their lives.

They try out new things and find the best versions of themselves. Basketball and soccer? Of course. Sailing and water-skiing? Yup. Music and drama and art? You bet. Specialty programs in science or entrepreneurship or culinary arts? We've got those, too.

At Jewish camp, kids can do it all—and while they're doing it, they make lifelong friends and build important life skills.

They develop independence, self-confidence, and leadership. They learn determination and problem solving. And at the end of the day, they get to sing songs, marshmallows and make memories.

There's a perfect camp for every child. Find yours at
